MEET US

We are Praias, a sunglasses company based in Spain.
We fight to bring quality sunglasses at a fair price.
Our obsession for details as welll as our ability of adaptation
is what unites us.

We break standards.

PROTECTION

Classified as Category 3, all the Praias lenses provide UV400 protection, giving you a complete protection against harmful ultraviolet radiation. The polarisation in our sunglasses gives you a comfortable vision without the annoying glare of shiny objects.
