

Sublimation Paper

DETAILS

100% sustainable wood pulp, 100% renewable, 100% of fiber bleaching, not add brightener, do not contain chlorine, without harmful gas emissions in the process of transfer printing

- Mixed double coating structure, support amount 100% saturated print ink film crack, penetration, smoothness good paper, printed on the back of high precision, distinct, wide color gamut

- high thermal stability, deformation, not wrinkle, paper, high strength, not easy to break

Material	White Paper
Application	Textiles
Type	Sublimation Transfer
Place of Origin	China
Brand Name	Chang Fa
Model Number	JES018
Material Type	Paper
Application	Clothing, mark cup . plate .t-shirt .Ceramic
Place of Origin	China
Ink support	Sublimation ink,Pigment ink,Dye Sublimation Ink
Feature	Fast Dry
Quality	Transfer Great Effect
Color	White Color
Transfer rate	95%- 98%
Product name	Sublimation Heat Transfer Paper
