Our Sales Options:

At FJFM SOLUTIONS, we provide two flexible ways to purchase goods, tailored to the needs of our wholesale partners:

Option 1 - Pallet Sales A-B GRADE

Goods are sold in boxes (120x80x60 cm).

Each box contains a mixed assortment of products:

25–40% electronics

Remaining items include home goods, office supplies, kitchenware, and children's toys.

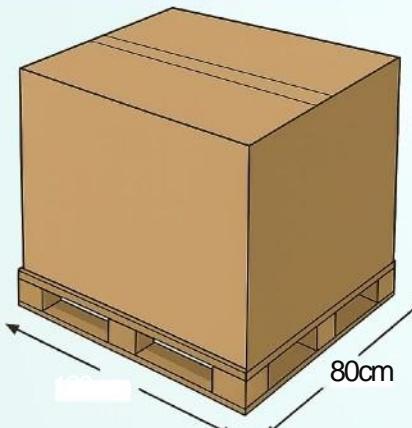

Weight per box: 95-110 kg

Price per box : 350 Euro

Quantity per box: approx. 220-250 items

All items are small to medium-sized - no bulky goods included.

Minimum order quantity: 66 Box (full truck)

Option 2 - Sales by Weight A-B GRADE

- **Goods are sold per kilogram at €3.25/kg.**
- Each shipment consists of Amazon original goods, still in their factory-sealed packaging.
- Items are unopened, untested, and completely untouched, exactly as they were shipped by Amazon.
- **Products include a wide mix: electronics, household items, office supplies, kitchenware, and children's toys.**
- Since items are sold by weight, customers benefit from maximum value, Often receiving branded products well below their retail price .
- Ideal for resellers, discount shops, and online sellers, as the goods are easy to store, ship, and display thanks to their compact packaging.
- **Minimum order quantity: 5000 kg (full truck).**
